

PAVE Scholarship & Student Aid Program

The PAVE Student Aid & Scholarship program provides financial assistance to students in educational programs preparing them for careers in the retail environments industry, including but not limited to careers in retail design and planning, and visual merchandising industries. The program was developed to help ensure a future talent pool for the industry by eliminating barriers to studying in these fields. The funds assist students who are experiencing financial difficulties that may prevent them from continuing school.

Program Options

Named Scholarship

Rewards a scholarship in the name of your choosing to deserving students based on merit and/or need. We work with you to determine the criteria. Scholarship can be specific to students majoring in a specific field, regional award, etc. **Minimum Donation:** \$2,500

Named Scholarship & Experience

Rewards a scholarship in the name of your choosing as well as an educational experience to deserving students based on merit and/or need. Sponsor can cover experience travel costs independently. **Minimum Donation:** \$2,500 (\$1,500 Scholarship/\$1,000 Travel)

Annual Named Student Aid Grant

PAVE's Student Aid Program addresses student need that can impact ongoing education and rewards students on merit and need. You may participate in the grant reward process if desired. Suggested Donation: \$5,250 (3 years/\$1,750 per year)
